Scheduled Pickups and how I do them:

Channel Products – Mitch Fox's Number: 216-403-7444

Great Lakes Textile -

Valtronic -

AMS -

Tungsten -

Microplex -

Keithley -

PDI – Cedric's Number: 216-904-2356

RTSI -

JTM Products -

Interdesign – try to get here before 15:30... the staff (especially on Friday) will leave early. Can have anywhere from 0 – 6 pallets of boxes. Back into Shipping Dept. docks

Ohio Travel Bag – go to front of building, first big white door for pickup, ring doorbell and Jason will have packages on a cart, can go early, just confirm with Jason

Glavin – can get away with going early, just check in with the guy if there are no packages laying out before 15:30

Common FDO's/SDO'S:

Kenametal – enter through Beaver Meadow Pkwy; ring the call button to open the gate at the back of the building. Back

All Type Welding & Fab.

Albert's – back door of Unit 5. Ring call button

GED – tend to call in anywhere from 9:00 to 12:00, boxes are usually by shipping dept. docks

Swagelok (6090 Cochran) – the boxes will be to the left, grab them when you deliver

Uncommon FDO's/SDO's:

Gossi Inc.

Keybank

Genesis Plastic

5625 Emerald Ridge Pkwy.
